

Splash Pool Rules

1. A bather using the facility must take a cleansing shower before entering the splash pool. A bather leaving the splash pool to use the toilet must take a second cleansing shower before returning to the splash pool.
2. A person having a communicable disease transmissible by water must be excluded from public pools. A person having any exposed sub-epidermal tissue, including open blisters, cuts, or other lesions may not use a public pool. A person who has or has had diarrhea within the last two weeks caused by an unknown source or from any communicable or fecal-borne disease may not enter the pool.
3. Any child under three years old, any child not toilet trained, and any one who lacks control of defecation shall wear a water resistant swim diaper and waterproof swim wear. Swim diapers and waterproof swim wear shall have waist and leg openings fitted such that they are in contact with the waist or leg around the entire circumference.
4. All food and glass containers are not permitted in the splash pool and locker room area. Smoking and alcohol are prohibited on the premises.
5. Diapers shall be changed only in restrooms or changing stations and shall not be changed at pool side. The person who changes the diaper must wash their hands thoroughly with soap before returning to the splash pool. The diapered person must undergo a cleansing shower before returning to pool.
6. Please walk on the splash pool deck. Roughhousing, dunking, shoulder fights and abusive language are not permitted.
7. *Inner tubes, inflatable baby carriers, or any large pool toys/objects that may impede the attendant's ability to see all areas of the pool are strictly prohibited.
Items below are allowed in the pool:
 - Soft or inflatable pool toys 12" or less in diameter.
 - Water noodles
 - Coastguard Approved Personal Floatation Devices (see PFD info sheet for more information)
