

Club Policies & Guidelines

A club is an informal organization of homeowners with a common interest. A club does not operate under a Charter or By-Laws.

1. To start a new club, it will be necessary to fill out a "LiveDAYBREAK Club Request Form." This can be found on the LiveDAYBREAK website on the Community Clubs page. The LiveDAYBREAK Board of Directors has the right to approve or disapprove of any new club request.
2. Upon approval, staff will add the new club to the website to reflect approved status. Information provided on the "New Club Request Form" will be posted online; this includes contact information for the club chair.
3. The purchase and replacement of any supplies needed for meetings or events are the responsibility of each individual non-chartered club. A club is permitted to charge its members a nominal fee to replace or purchase these items.
4. Club flyers and information may be posted on community bulletin boards and at the Daybreak Community Center upon approval by staff. All unapproved signage will be removed.
5. Clubs are not permitted to host any type of religious service.
6. Clubs are allowed a meeting space in the Daybreak Community Center at no cost to the club once per month, provided that space is available at the requested date and time.
7. If a club would like to host a community wide event, a request must be submitted in writing outlining the details of the event to the LiveDAYBREAK Board of Directors no later than 90 days in advance to the proposed date of the event. Permission must then be granted by the Council Board of Directors 60 days in advance of the event. The LiveDAYBREAK Board of Directors has the right to approve or disapprove of any new club request.
8. All clubs are prohibited from setting restrictive preconditions for membership. Membership must be open to all Daybreak residents without discrimination as a race, religion, gender, sexual orientation, nationality or language.
