

(This form is for residents who live within Sub-Associations **only** - townhomes, condominiums, Garden Park or Springhouse)

**Design Review Addendum for Sub-Associations**

Sub-Association Board or Committee; please complete the attached form following review of the modification and return the completed form along with the application to the homeowner.

Homeowner; please include this form along with your application and fee to the Daybreak Master Design Review Committee for review.

Please note, Sub-Association review and approval is required before obtaining approval from the Daybreak Master Association. Daybreak Master Association's design review is contingent upon the initial Sub-Association approval.
